

Agricultural Loan Disbursement

HSBC Bangladesh is supporting development of agriculture sector of Bangladesh by partnering with Micro Finance Institutions (MFI). MFI linkage enables the Bank to reach out to remote borrowers and makes agriculture loans available to various parts of the country. HSBC Bangladesh had agriculture loan disbursement target of BDT 2,850 million for financial year 2024-25 against which the Bank disbursed BDT 3,450 million during the period.

Furthermore, HSBC Bangladesh undertakes initiatives to extend concessional lending for cultivation of import substitute crops such as pulses, oil seeds, spices and maize at discounted rate in line with the directive of Bangladesh Bank on best effort basis.

For 2025-26 financial year, HSBC Bangladesh has set total agriculture loan disbursement target of BDT 4,690 million and concessional lending target of BDT 23.45 million. Like previous years, the Bank is well poised to meet these new annual targets. Please contact the following concerned person should you have any query regarding agriculture lending of HSBC Bangladesh.
